Installation kit* content:

trim panel, installation brackets, power harness with CAN IF, antenna adapter

* Only for vehicles with 1-DIN radio (E1D) or radio preparation (ER0). Vehicles with radio preparation additionally need the adapter KWE-S907. Vehicles with original radio and e-call system: the e-call system remains functional - an e-call adaptation to avoid error messages is required (vehicles with radio preparation will not encounter this problem).
